南天大學及藝術館籌建

佛光山自開山初創叢林佛學院，培育人才，今為進一步拓展社會教育的實踐，佛光山先後創辦了美國西來大學，台灣南華大學及佛光人文大學等。南天寺自1995年開光以來，積極宣揚人間佛教以外，推動東西文化交流，對各項教育更不遺餘力。今感謝臥龍崗市政府捐贈土地，作為建校及藝術館用地，邀請您共襄盛舉，一起帶動人文社會，實為殊勝難得的因緣。

教育是百年大計，需群策群力，方能竟其偉業。尤其籌建大學，藝術館耗資龐大，故發起百萬人籌建委員會，凝聚百萬人心力，連結百萬人善緣，把智慧留在人間，使百年樹人的建校功德，得以圓滿。

Building of the Nan Tien Institute and Cultural Facility

In Fo Guang Shan headquarters, Taiwan, the first building established was the Buddhist College for the reason of fostering talent through education and putting social education into practice. Fo Guang Shan has established University of the West in U.S.A, Nanhua and Fo Guang Universities in Taiwan. Since Nan Tien Temple has opened in 1995, it has been propagating the humanistic Buddhism and providing a religious centre for the exchanges of Eastern and Western cultures. Thanks to the Wollongong City Council who donated the site to build the Nan Tien Institute and Cultural Facility.

Education is a long-term program; it is an important project for our children and its future. We need your support and assistance to accomplish this project. As we know a project of this size and nature requires major sponsors and promoters as it is very costly. This is the reason we have taken the initiative of establishing a project committee. As mentioned in the Buddhists scriptures, one who contributed to the building of a school would gain infinite merits and wisdom. We hope the project can bring together millions of sponsors to form good affinities and accomplish the purpose we have intended.
