

Environmental & Spiritual Conservation Tree-Planting Festival

Fo Guang Shan Nan Tien Temple and BLIA Sydney are co-organising the 2019 "Plant a Tree" Environmental Conservation Festival at Nan Tien Institute, Unanderra on 6th July (Saturday). We will be planting 100 seedlings on the day. Beyond protecting Nature and keeping the environment green, tree planting also symbolises nurture and cultivation. Come join us and plant a tree at Nan Tien Institute, do your part to conserve the environment, and sow seeds in the merit fields for yourself and your family.
