

Baby Blessing Ceremony

Baby Blessing Ceremony is to bless children under the protection and guidance of the Buddhas so they may live a happy, healthy and fulfilled life. In addition to the traditional "Baby Blessing" Ceremony, the "Future within Thy Hands" ritual will feature as a special highlight event. Based on traditional Chinese customs, toddlers will seek out from an assortment of articles their item of interest. It is believed that the item(s) grasped can determine the toddler's future interests, career path or capabilities.
