

Zero Hunger Awards Ceremony

On June 6th, Nan Tian Buddhist Temple Parramatta and Nan Tian Chinese School jointly held the "2021 SDG2 Zero Hunger Young Artist Awards Ceremony". Nearly 150 people including the young artists and their parents attended the ceremony, which was presided by Chief Abbess Man Ko of Nan Tien Temple. Four students from our school have won prizes in this competition. Well done!

Achieving SDG2 Zero Hunger Goal

In conjunction with the "2021 SGD2 Zero Hunger Young Artist Drawing Competition" exhibition in May, Nan Tian Chinese School and Buddha's Light International Association Sydney subchapters at Parramatta impressed everyone with the "Zero Hunger" education game app. The app educates everyone to aspire to do the "three acts of goodness": "do good deeds" without wasting food; "speak good things" to express gratitude to the farmers; "think good thoughts" and wish that people will have healthy food and promise to support global sustainable development.

Scouts in the neighborhood

On BLIA Scouts Open Day, Leader Jenny Huang, together with BLIA Scouts Brian, Wilfred and Thomas took on the booths to explain to the community the need to separate garbage, including recyclable garbage, plant garbage and general garbage, and taught everyone how to do it. The booths played videos to introduce the outdoor and indoor activities of Scouts, fully demonstrating that Scouts grow and thrive in a healthy, spiritual and joyful environment.

BLIA Scouts Investiture

The BLIA Scouts Western Sydney family continues to grow. On June 6th, Chief Abbess ManKo of Fo Guang Shan Australia and New Zealand, and Tracey Hansford, Scouts Commissioner of Greater Western Sydney, visited Nan Tien Buddhist Temple Parramatta to invest 15 Cub Scouts to join BLIA Scouts Sydney family, so that our little seedlings could thrive and grow physically and spiritually.

Happy Dragon Boat Festival

On June 12th, Nan Tian Chinese School held a Dragon Boat Festival cultural teaching activity, allowing children to learn about the traditional customs of the Dragon Boat Festival through videos, origami crafts, and games.
