

3 Day Weekend Meditation Retreat

Meditation concepts and practice for positive personal transformation

The 3-day meditation retreat is the perfect retreat for participants who would like to practise for longer periods in order to settle the mind & reach a deeper level.

As humans we often struggle emotionally when confronted with adverse circumstances. Even when our lives are relatively easy, we can struggle with emotions such as anger, fear, jealousy, and our ego. We may feel frustration and anxiety in our lives, yet we do not know how to deal with these feelings.

The 2,600-year-old tradition of Buddhist psychology has been helping people redirect these unwholesome emotions for many years. With committed practice, everyone can gradually learn to become more mindful and peaceful in life, even in the face of significant suffering. Cultivating mindfulness is, and has always been, a deeply personal journey of discovery. Join us to learn more

Your retreat will include instruction in sitting and walking meditation. Tea Ceremony, Tai Chi, guided tour and Dharma Talks by resident Venerables further enhance learning. Be witness to traditional Buddhist ceremonies and practices.

Please note: Some physical and psychological conditions may impede your Retreat experience. Please see next page for details.
