SITE NEWS

CHILD PROTECTION AWARENESS TRAINING (CPAT) MUST BE COMPLETED AS INDUCTION TRAINING. IT ONLY NEEDS TO BE COMPLETED ONCE.

If you have already completed CPAT you are now able to update your training by doing the annual training expected of school staff - Mandatory Child Protection Training.

You can access Mandatory Child Protection Training 2019 by requesting external access to MyPL – register to obtain a User Name and Password at <https://education.nsw.gov.au/mypl/community-members>. The link to Mandatory Child Protection training 2019 is on the MyPL homepage. You will receive a certificate on completion of the training.

If you wish to redo the CPAT course to update your certificate, your previous enrolment must first be deleted. Please send an email to Wendy.Alford@det.nsw.edu.au to request this.

This online learning site has been developed by the NSW Department of Education for external users to access the mandatory Child Protection Awareness Training (CPAT).

If you are an employee of the Department and have your staff portal login, you should complete the CPAT via the [internal version](#).

Please note that, when creating a new account, your username should not contain any spaces. If you include spaces, they will automatically be removed. If you included spaces when you created an account, omit the spaces when you login.
